

HOW TO FIND US

**43 High Street
Teddington
Middlesex TW11 8HB**

Our prominent office is centrally placed in the High Street (A313) on the junction with Vicarage Road which leads to the town's swimming pool.

Major bus routes pass the door (281, 285, 681, R68) and Teddington's Southern Region Railway Station is within a few minutes walk, providing a quick connection to Waterloo and Richmond.

By car the A316 is only a short drive away and, in turn, provides swift access to the M3, M25, London's Airports and City centre.
